1. It is very difficult to determine the exact number of Soviet instructors presently in Albania, as several hundred Soviet officials and technicians returned to the USSR in July 1950.* It is not known whether they were replaced by new instructors, nor the reason for which they were withdrawn.

Rumors have been widespread of late regarding the arrival in Albania of large Soviet paratroop units.** The 4 and 11 Soviet Paratroop Regiments have allegedly already been transferred to Albania***, in addition to a certain number of smaller Soviet paratroop units which arrived in Albania from Hungary.
